IMPORTANT REMINDERS

Late or Absent Students

Please call our school office by 9:00 AM if your child will be late or absent from school! Our phone number is 403-223-3352.

Agenda Notes

The agenda is an important communication tool between home and the school. If there are any changes in your child's schedule, a change in bus/kidzone schedule, or a change in who is picking up your child, please make note in your child's agenda. If the change occurs during the day, give our school office a call and we will pass on the message to the classroom.

Picking up Students During School Hours

Parents, if you are picking up your child during school hours, please check-in at our office to sign out your child. While signing out, the office will contact your child's homeroom teacher to have your child sent down to the office. Thank you in advance for your cooperation by helping us to continue to create a safe and supportive learning environment for all of our students.

Medical Notes/ Medication

If your child needs to take medication at school, please see Mrs. Mankow in the office to fill out the required paperwork. Additionally, please keep us updated on any allergies or medical changes the school should be aware of.

Microwave Use at Nutrition Times

We have two 15-minute Nutrition Breaks for our students to eat and the entire school eats at the same time. Due to the limited time please send your child with lunches that do not require a microwave. This will ensure that all students will have ample time to eat their lunch. More time will be provided in class for those in need.

Milk and Juice Program- We are offering chocolate milk and juice. The program is run by the Grade 5 students and teachers. The milk and juice is available during the 1st nutrition break. Milk Cards can be purchased at the office or on Online cash. If you pay for a card on Online Cash, please send your child to the office to collect it.

1. \$10 punch card for 8 individual milk/ juice
2. \$20 punch card for 16 individual milk/juice

Proceeds from the program support school activities, STEM, our SPT leadership program and our Grade 5 Farewell.
