

July/August Newsletter- From Mr. Collier's Desk

Hello St. Patrick School Families,

As we step into the summer months, I want to thank you for an incredible school year filled with learning, growth, and community. June was a wonderful wrap-up—from field trips and Sports Day to Kindergarten Graduation and our Grade 5 Farewell. It was a joy to celebrate so many milestones together.

Looking ahead, please take note of these important dates:

Teachers return to school: Monday, August 25th

First day of school for students: Tuesday, September 2nd

This summer also brings some bittersweet goodbyes. We offer our heartfelt thanks to Grade 2/3 teacher Mr. Kubitz, Mrs. Mabin (Associate Principal), and support staff Mrs. Jensen, Mrs. Campbell, and Mrs. Baier as they move on to new roles in other schools. Their contributions to our students and community have been deeply appreciated, and they will be greatly missed.

At the same time, we are excited to announce the return of Mrs. Tilleman, who will be resuming her role as Principal in September after her maternity leave. We warmly welcome her back to lead the St. Patrick community once again.

Wishing you and your family a restful, joy-filled summer. We look forward to welcoming everyone back in the fall!

**God Bless,
Tom Collier
Principal**

2024-2025 Year-End Summative Reports

Grades 1-6

Assessment is an ongoing process that occurs daily in all our classrooms. SpacesEDU serves as a communication tool to share both progress and growth throughout the school year.

Parents/guardians are encouraged to review their child's SpacesEDU portfolio and celebrate the amazing success and growth documented throughout the year. As a summary of learning, your child's teacher has thoughtfully prepared a year-end summative report that highlights not only the progress shown over this school year but also articulates some goals and areas for continued growth as your child continues in their learning journey. This year-end report will be shared via SpacesEDU on the last day of school (Wednesday, June 25, 2025).

Access the Reporting Space & Year-End Summative Report:

The Reporting Space will be visible from June 25 until August 14, 2025.

Student's 'All Work Feed'

Your child's SpacesEDU account provides access to ALL of the student's work, posts, activities, and summative reports for all of their years using SpacesEDU via the 'All Work Feed'. Even after August 14, when classes are archived, your child's account will still maintain access to everything. To access any past posts, activities, or summative reports, have your child log in to their SpacesEDU account and click on 'All Work Feed'. Should you have any questions about accessing previous content, please contact LearningServices@holyspirit.ab.ca with your child's name and school.

Student's 'All Work Feed' (continued)

For Students Leaving Holy Spirit

If your child's learning journey takes them to another school division next year, you can still maintain access to their SpacesEDU account. Please email LearningServices@holyspirit.ab.ca with your child's name and school, and include a personal email address (this can be for a parent or guardian for young children). We will ensure your access to SpacesEDU is maintained. Instructions will be shared with you on resetting your password once we have transferred the account to an alternate email address. For students moving to a different school within Holy Spirit Catholic School Division, your child's account will remain active and connected to their Holy Spirit email address.
